Fly-in to an exclusive wilderness territory of 67 km² (26 sq. mi.) in Northern Québec's Salmonidae dreamland, your guarantee of a "reel" outdoor adventure in the land of landlocked salmon, wild Brook Trout and Landlocked Char surrounded by unspoiled nature. This fisherman's paradise is located 80 km (50 mi.) from Havre-Saint-Pierre, a modern village on the North Shore of the St. Lawrence River. The territory consists of three separate main lakes interlocked with beautiful stretches of fast water, intermittently spaced rapids and pools: the ideal habitat for Brook Trout, Landlocked Char and Landlocked "Smelts"

which keep our LandLocked Salmon (ouananiche) healthy. Holt Lake Outfitters offers you the chance to fish in our main lakes from a boat, trolling, spinning or bait casting, while rivers and "spawning" pools are designated fly-fishing only. We offer "deluxe" housekeeping plans with cabins set along the shore of remote wilderness lakes and equipped to provide comfortable, safe and memorable lodgings. You'll enjoy the wonderful hospitality and personal attention offered by the owners. Gather your friends and treat yourself to the fishing experience of a lifetime. We promise you'll be hooked!
